

60-Day Master Plan

1 October → 29 November 2026 · Day 60 = exam day · उत्तराखंड डिकोडेड पुस्तक + क्रेश कोर्स + PYQ ट्रैकर + टेस्ट सीरीज़

The system — five pieces, one topic a day

- **Book (Uttarakhand Decoded / उत्तराखंड डिकोडेड):** one chapter a day, Uttarakhand GK (~35% of the paper).
- **Crash course:** 50 videos, 2–3 a day from 5 Oct to 18 Nov, plus 6 Wednesday live sessions.
- **Self-study:** the national topic of the day (~65% of the paper) from your own standard books.
- **PYQ trackers:** solve the day's cluster (UK C1–C10, National A–N), then mark it Green / Yellow / Red.
- **Test series:** 62 tests + Free Sample Mock, each 0–2 days after you study the topic.

A normal day (about 8–9 hours)

- **Morning 2.5–3 h:** book chapter — read + short notes
- **Midday 2.5–3 h:** national self-study topic
- **Afternoon 1–1.5 h:** crash course video(s)
- **Evening 1 h:** test of the day + check every wrong answer
- **Night 1 h:** PYQ cluster (30 min) + current affairs (30 min)
- **Sunday:** full mock in exam timing (2 h) + analysis, no self-study
- **Working / college:** minimum 3.5 h — video + book chapter + test; self-study on weekends

Six phases

- **1 · Days 1–4 (1–4 Oct):** Free Sample Mock, colour both trackers, UK history chapters
- **2 · Days 5–19 (5–19 Oct):** UK core topics + national history & polity
- **3 · Days 20–33 (20 Oct–2 Nov):** national geography & economy, UK economy & CA
- **4 · Days 34–49 (3–18 Nov):** science, environment, CA, CSAT, UK mixed mocks
- **5 · Days 50–58 (19–27 Nov):** revision of Red/Yellow rows + 6 full mocks
- **6 · Days 59–60 (28–29 Nov):** rest, documents, exam

Rules that decide your marks

- **Mistake notebook:** every wrong answer — question, right answer, why you missed it. Read it every Sunday and daily in the last 10 days.
- **Red rows first:** CRITICAL (✗) PYQ clusters appear every year.
- **Negative marking:** attempt only when you can eliminate 2 options.
- **Fell behind?** Keep book + video + test, skip self-study for 2–3 days, use the catch-up day (22 Oct).
- **Exam day:** Uttarakhand GK first, then Polity, History, Economy, Science.
- **No test series?** Use that day's PYQ cluster in the test slot.
